STEP 1: Pay The Stocking Fee (you get it back)

Fandemic Inc. requires a *stocking fee* in order to produce the custom products and print the custom design:

$$\text{Stocking Fee} = \text{Order Qty} \times \text{Price Per Item}$$

Example Stocking Rates:

Quantity	Price/Item
40	\$11
100	\$8
400	\$4

Example #1: If you want to stock 40 Aesthetic T-shirts (\$11/each)

$$\$440.00 = 40 \times \$11$$

Example #2: If you want to stock 400 Aesthetic T-shirts (\$4/each)

$$\$1,600.00 = 400 \times \$4$$

The stocking fee will be **reimbursed** and you will receive additional **profits** as fans continue making purchases
