

Fandemic is a web platform that **designs** products for you to **sell** to your fans with **zero** risk.

**We Design** your personalized Fandemic eCommerce Store

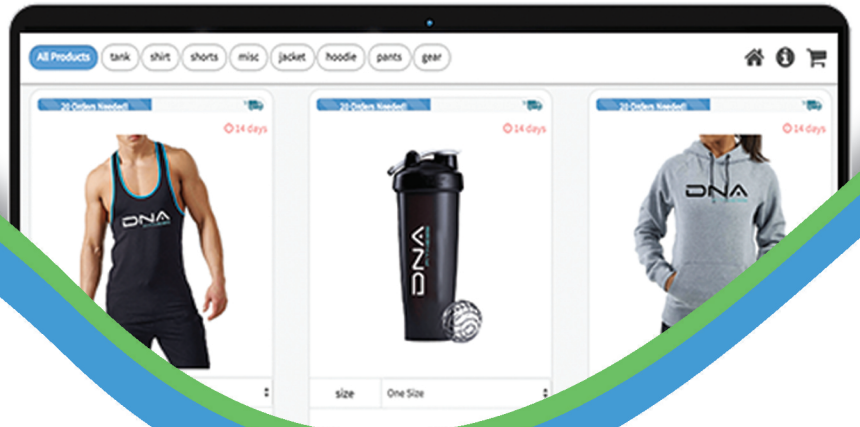

**You Pick** the items for your beautifully crafted, customized box

**You Promote** your customized Fandemic store to your followers

**We Ship** to your customers who share the unboxing experience with their friends and family

Select any item from your **Mock Store** to Include in your Box

(Your box will be customized by our in house designers)
